Present location of NCRI` s Meetings in Baghdad

- This place (meeting hall) is called Baharestan Hall by MKO`S terrorists leader.
- NCRI` s meetings have been held in this place since 1993
- This place was built with an expense of 150,000 \$ by request of Rajavi and Saddam Hosein` s agreement. With ministry of Masonry`s control it was built by FAW constructional company. (related to Iraq`s military industries)
- One of the reasons of this building`s high expense is that it was ordered to be " without middle columns" for propaganda reasons and in order to make a proper area for photography and recording.
- Security of this position is provided by Iraq`s Security Service called "Jahaz Almokhaberat AlAraghia "
- MKO armed forces are also cooperate in providing the security for this place.
- All the rooms of Hotel novhotel which is located at the west side of this building have been evacuated by Iraq`s Security Forces, because they were impendence to The location.
- On December 1993, MKO` s forces killed a Turkish government diplomat with sub machinegun in front of this building.

Massoud Rajavi's role in NCRI, NLA, and MKO

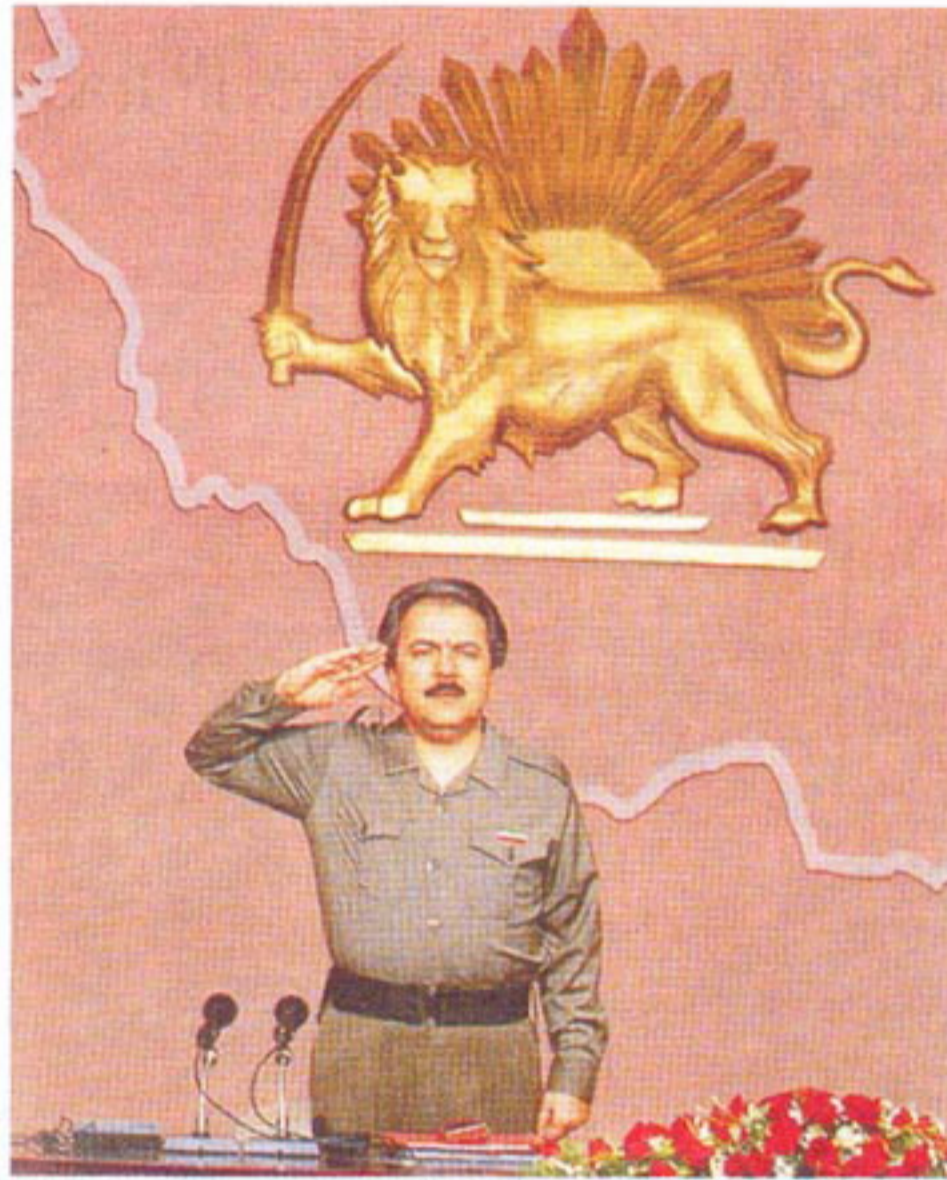

Ideological leader of M.K.O terrorist organization (since 1979)

Mrs. Eva Zetterberg is a Swedish Parliament Representative from The Left Party she is a member of Foreign Policy Committee of the Parliament a human rights activist. in 1996 she observed:

NCRI is by no means as extended as it claims.

There is always a prevalent trend of personality worship there

Karim Ghasim, who has tried to be introduced as a writer with socialistic ideas, and claims that he is not a member of MKO says about Rajavi:

Love to Iran and love to Rajavi weld to each other Therefore a Mojahed fighter becomes unbeatable!!

مصاحبه «سیمای مقاومت»
 با دکتر کریم قصیم
 از شخصیت‌های عضو شورای ملی مقاومت ایران

رهبری سازمان مجاهدین، همان
 علاقه‌ی آگاهانه و انکاری که در
 سازمان مجاهدین نسبت به مریم
 و مسعود در تمام چهره‌های
 رزمندگان موج می‌زند و دائماً آدم
 با آن روبروست. عشق ایران و
عشق رجوی. این دو تا با هم که
جوش می‌خورند آدم می‌بیند که
رزمندگی مجاهد عنصر
شکستناپذیری می‌شود. مسئله‌ی
 کشته‌شدن دیگر در میان نیست،
 مسئله نقشی است که انسان برای
 نجات وطنش ایفا می‌کند، کاری

Flattery and exaggeration for MKO`s terrorists leader (Massoud Rajavi) is NCRI`s members public Character.
 Karim Ghasim Not only describes MKO`s terrorists leader as so,
 But also denominates MKO`s terrorists as unbeatable!

Fariba Hashtroudi, NCRI member and a France resident, who has tried to be introduced as an intellectual and libertarian, denominates Massoud Rajavi, the leader of MKO and NCRI terrorists equiponderant with Marshal De Gol and compares Rajavi`s appearance in Baghdad under Saddam Hosein`s role with Marshal Marchal De Gaouls attendance in Britain when France was occupied.

این در تمام جنبشهای مقاومت وجود داشته است. در جنگ دوم جهانی، اگر مقاومت فرانسه، به طور عمیق، رهبری دو گل را نمی پذیرفت، مگر می توانست در برابر هیتلر، که در آن زمان نیمی از جهان را گرفته بود و می رفت تا بقیه جهان را هم به تسخیر خود درآورد، مقابله کند. دو گل با ۵ نفر رفته بود انگلستان و می گفت: «فرانسه من هستم». البته که او به تنهایی فرانسه را آزاد نکرد، اما مگر آزادی فرانسه بدون او ممکن بود. مگر پیروزی بر هیتلر بدون او متصور بود؟ ما اکنون دقیقاً در چنین وضعیتی هستیم. این را، هم رژیم خوب می فهمد و هم دم و دنبالچه های آن در داخل و خارج کشور

If the resistance of France had not accepted Marshal De Gol`s leadership in the Second World War, would they be able to resist against Hitler?

General De Gol had gone to England with 5 individuals and said " I am France". Was victory against Hitler possible without his attendance? We have the same situation now.

Flattery and exaggeration for MKO terrorists leader (Massoud Rajavi) is NCRI`s members public character. Comic and foolish descriptions of Massoud Rajavi is a duty for MKO members.

Dependence to Saddam Hossein and Iraq

Non Mojahed members of National Council of Resistance opposed Rajavi`s dictatorship method. Specially his one sided decision on linking the Council with Iraq, was the reason to keep distance for others who recognized this unity as a traitorous action.

در سوابق / عدم تحمل مجاهدین در برابر سازمانها، آنان از شرکت بک گروه لبرال مشهور اورسپور، یعنی نهضت آزادی آریا حزب آزادی (حزب کوری اردن) مجاهدین همچنین از عضویت در سازمان و حزب (کومونست) بوده مخالفت به عمل آوردند. دیگر گروههای مقاومت، از نوع اسلام انقلابی مجاهدین حذر داشتند. جنبه ملی احزاب نامبولانیست مصلحتی از پیوستن به شورا خودداری ورزید چون با ایدئولوژی دولت اسلامی مخالف بود. دو سازمان مارکسیستی دیگر، که آنان نیز با وجه مذهبی بدلولوژی مجاهدین مخالف بودند، از پیوستن خودداری ورزیدند.

بعلاوه، شورای ملی مقاومت از حمایت سازمانهایی که بیشتر از سوی مجاهدین کنترل می شدند برخوردار شد. مجموعه انجمن دانشجویان مسلمان، انجمن دانشجویان اصناف، جنبش معلمان مسلمان، اتحادیه انجمنی دانشگاهها و مؤسسات آموزش عالی، و انجمن دفاع از امکنش و استقلال ایران. ولی نوبه اولیه شورای ملی مقاومت بهانه جنبه مقاومتی مؤثر، خیلی زود فرودکش کرد. برخلاف انتظارات، اولیه اکثر ناظران، رژیم حسینی کنترل اوضاع را مجدداً بدست گرفت و قدرت خویش را گسترش داد. در پایان، انجمن مجاهدین شورای ملی مقاومت را تیرید خودکامانه رجوع به مقاومت برخاسته. انجمن انجمنیه دانشجویی هم پیوسته از دست شورا به عراق، بافت دوری گریخت. دیگرانی که این اتفاق را از دیدن حیانتباری می دانستند مهم ترین عضو شورای ملی مقاومت بودند. یعنی رتس جمهور اسبیل بنی صدر، رسماً در سال ۱۹۸۲ از شورا جدا شد و رجوعی را آمیزد. آن در حلی و لغتی مناقشه بران و عراقی، توصیف کرد. این صدر اظهار می دارد که اولین موافقتنامه رسمی میان مجاهدین و عراق در ژانویه سال ۱۹۸۳ در ملاقات صان رجوعی و وزیر خارجه عراق

According to separated members of MKO:

When Rajavi decided to transfer the entireness of organization to Iraq and stand at Iraqi regime`s service, some individuals took exception to him and he answered them:

we came to the west (France) in order to plant wheat with their partnership, but now we are going to Iraq to plant date palm in cooperation with Saddam Hosein.

Mrs. Eva Zetterberg, former MP of Sweden Parliament from Left party, member of Foreign Affairs commission, and active member of

NCRI is never wide and inclusive as they claim. There always a currency of individual worship rules.

In many cases they have fleered other opposition organizations opponent to Islamic Republic of Iran and had threatened and impended criticizer journalists of them.

NCRI`s vocabulary and inscriptive culture is MKO`s and other terrorist organizations culture.

Terrorists talk to their criticizers by threat, impend, and sneer language.
